

PINEVIEW SUMMER DAY CAMP

SWIMMING at ITALIAN AMERICAN COMMUNITY CENTER

- We have rented the **outdoor (heated) pool** at the Italian American Community Center (IACC) Monday through Thursday mornings from 9:30-11:30 am, excluding VBS week and the last 2 weeks of summer - it is closed to the general public during these times.
- We will divide the campers into **2 or 3 groups** according to age and/or swimming ability. Each group will swim for 40-60 minutes. There will be 2-3 counselors with each group.
- Children will change into and out of swim suits here at Pineview.
- We will **walk** the campers to and from the pool. It is 2/10 miles and takes about 6 minutes to casually walk around the outer edges of our parking lot and down the right side of Frontage Rd.
- There will be a certified **life guard** on duty at all times.
- We will follow all of the Dept. of Health guidelines for Summer Camp Swim Trips. We have a written safety plan which includes a buddy system with buddy checks every 15 minutes and a detailed plan to monitor each child's ability and location while at the pool.
- If there are children who are not permitted to swim, they will stay with which ever group of campers is not swimming.
- Floation devices are permitted. We will supply a few to be shared. Children may carry over their own personal items

Camper's Name _____

___ YES, my child has permission to participate in the Pineview Summer Day Camp Swimming Program at the Italian American Community Center (IACC). I understand that counselors will walk the children to and from the IACC pool.

___ NO, my child does not have permission to swim at the Italian American Community Center. But, YES my child may walk over with the group and get wet in the fountain sprinkler.

___ NO, my child does not have permission to swim at the Italian American Community Center. My child needs to stay with the group that is not swimming. I understand that my child may walk with one group to the pool (remaining outside the pool fence at all times) and then walk back with the other group.
